President's Message

Thanks to Michael Phillips and Hughe Williams, who spearheaded the November 13th program. I think we can all agree that we had an exciting time photographing musicians at our last photo shoot. Thanks to the musicians who lent their time and energy to allow eager photographers to capture them whether on film or digitally. Calvin Francis, on drums, Jamal Abdul Khabir on Alto Saxophone, Ray McGill on Tenor Saxophone and Mike Ridley on Trumpet. It was a great experience and we are looking forward to more.

Ron Caldwell is working hard on getting our 501(c) 3 underway. I want to thank him for his time and attention and staying on top of that project.

The end of a year always seems a rush of activities. Most of us have experienced the pressure and anxiety of getting everything done on time. On behalf of the Executive Board and Officers I wish you and your family a happy and safe holiday season. The holidays present opportunities for all of us to enjoy activities with those we love. There is a small lull in Field Trips due to the hustle and bustle of the season, but don't let that stop you from taking advantage of the wonderful sights that this season has to offer. So grab your camera and click away. Season's Greetings to all.
