Keeping In Touch

BRINGING THE PHOTOGRAPHIC ARTS TO OUR COMMUNITY

Volume 4 – Issue 8

www.seqcc.org

April, 2008

President's Message

Spring is in the air. The flowers have started to bloom. The daffodils are out and the tulips are just breaking the surface. Wow, I can't wait for the warmer weather and with that the photo opportunities to capture the beauty of a new season.

The Spring Spectacular with Arthur Morris was incredible. Mr. Morris photography was awesome, and Canon, Burger Bros. and Hunt were right on hand to answer any questions about equipment. It was not a show to miss.

Several of our club members are pre-

paring to embark on a trip with the Flushing Camera Club. The week-long trip to Maine to capture sunsets, sunrises, lighthouses and more is fast approaching and I know for one, I am very eager with anticipation.

Also the Nominating Committee has come up with a slate for SEQCC's next election. Neville Phillips is nominated for President and Audley Smith is nominated for Vice President. Judson Dinkins and Uris McKay has agreed to continue as Treasurer and Secretary respectively. Elections will be held in May. Happy Shooting. Sylvia "Cookie" Hodge

PFLI Highlights

The Photographic Federation of Long Island (PFLI) consists of 22 camera clubs from Brooklyn to Suffolk. Check PFLI Website for schedule of all events.

Photo Contest:

The PFLI has been asked to join with the Planting Fields Foundation (PFF) to reinstate the Foundation's photography contest. Details are being worked out between the PFLI and PFF for a jointly sponsored photo contest in 2008 of images taken at the Planting Fields. Watch for more details.

PFLI Classes:

The next PFLI class is Sunday April 27th from 1:00—4:00 pm. These classes are designed for camera clubs and for the community. Location is at the Plainview-Old Bethpage Library at 999 Old Country Road, Plainview, NY. Admission is free. For information contact: Education Chairperson, Ed Sambolin (631) 439-0812 or email edsambolin@optonline.net

April 27 Workshop:

1) Color Printing: Learn how to use your printer along with what types of printers are available and the many types of paper and inks to use in them.

2) Black & White Printing. Ways of converting your color digital images into fine black and white photos. Also tinting and toning techniques are covered. Types of paper available for digital black and white printing.
