President's Message

Would you believe that half the season is already over. But what an exciting first half. We have had some wonderful programs and I am looking forward to more of the same. We took a small break from field trips but we are back at the table putting our heads together to come up with trips we think you will like. We just finished with our second competition and the images are looking good. I think we are learning a lot about the hobby we all love. We have had sev-

eral evaluation sessions and the critics have been priceless. We have several more evaluations scheduled, so do take advantage by submitting images. Next month we will be involved with the Colors In Black VI Art Show to be held at Roy Wilkins in March and we will be co-sponsoring the upcoming Universoul Circus coming to Roy Wilkins in April.

I am very excited about our club and the direction we are headed.
