President's Message

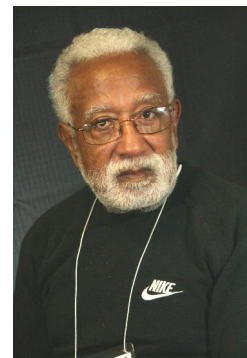

There was a good turnout at the September 23rd meeting.

Michael's program demonstrated and guided us through the steps in using inexpensive lights to produce studio-type portraits. The results were especially rewarding when members took pictures and saw that they were able to produce excellent pictures of Roland Cannon, who modeled for us. It

is the aim of the club to continue in this direction of providing timely projects and instructions in which all members can participate and learn to become better photographers. My thanks to Edna Perry for accepting the position of Club Secretary after Uris McKay stepped down because of family commitments. Much appreciation to you, Uris for a job well done.
