

Southeast Queens Camera Club
Presents
“Introduction to Digital Photography”

Free: 6 Photography Classes!
Tuesdays @ 7:30pm

“Introduction to Digital Photography” is designed for the beginning photographer. It aims to help the photographer to move from “taking snapshots” to “making quality photographs.”

Participants should possess a camera and its manual ... and bring both to class.

- July 12: Basics of Digital Photography***
- July 19: Camera Settings and Features***
- July 26: Composition I***
- August 9: Composition II***
- August 16: Photoshop Elements: Basic Processing I***
- August 23: Photoshop Elements: Basic Processing II***

Classes will be held at: Roy Wilkins Park, Administration Building, 2nd floor,
Baisley Blvd. & Merrick Road, Jamaica
